MISSION IMPOSSIBLE

**MISSION: TACKLE THE TASKS
DEMANDED FROM YOU,
ASSERT YOURSELF AND
REACH FOR THE STARS**

As freshmen, we received a mission that demanded growth, maturity, responsibility and leadership. Over the next four years, we would walk through the halls gaining more pride as time progressed. On our first day of school, we timidly opened those doors that brought us into a new dimension. Term papers, mid-terms, independent projects and finals were suddenly demanded from us. As upper classmen, we were now racing over speed bumps to avoid late detention. As our world expanded, our mission grew more demanding. We were faced with choices that would decide our futures for us. College, work — which one would I embark on? Over the past four years we have faced numerous obstacles. During our short time frame in N.A.H.S., we have developed friendships that will endure a lifetime. These four years have been a seemingly impossible. But now it is a successful **MISSION ACCOMPLISHED!!!**

upper left: Bond mixes the correct chemical formula! Did you accomplish that in Chemistry?
above: A reward for a job well done.

mid center: Words speak for themselves.
above: Catch that explosion of spirit!!!

Drive away form an accomplished mission!!!

The Scarlet Knights are outta' sight. Especially when you are caught walking down the halls without a laminated pass. Plan on spending period "8" in the cafeteria til 3:00. Don't leave class without one!!!

Well We did it ! Good-bye 2 1/2 !!!!

This year the town of North Andover faced a vital proposition. 2 1/2 was the mission. With the help of many students and citizens the town was able to override 2 1/2 and go on with the scheduled year.

Let's investigate these unknown footsteps. Are the imprints of an outsider who wants to hinder our mission, or is it just Mr. Hamel patrolling the halls?!

Don't let the cameras get a shot of you unprepared. Always keep watch over your shoulder. You never know who'll be in the background ready to capture you in a photogenic mood.

The chefs behind the lunches.

Anyone for some popcorn?

Just another ordinary day at the lunch table.

That certainly doesn't look like cafeteria food!

It's lunch time!

Say Cheese! (Smile?)

The future Juliet child!?

If they are smiling, they mustn't have eaten the cafeteria food.

Look who's cooking now. (Looks more like trouble.)

You look soooooo beautiful!

The Barbie Club fan. But wait a minute— where's Ken??

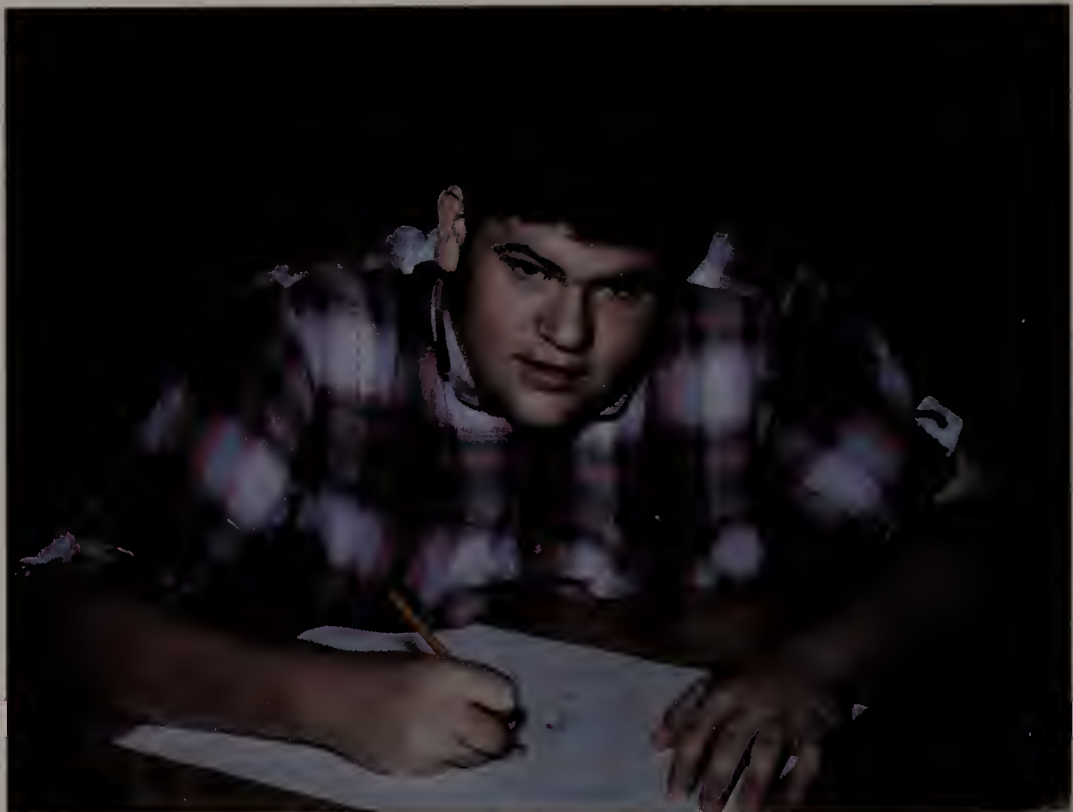

Hey, can I have a bite of that, pal?

Milk, it does wonders for the student.

What craftsmanship!

Potential Michelangelo - - - - um, maybe not?!

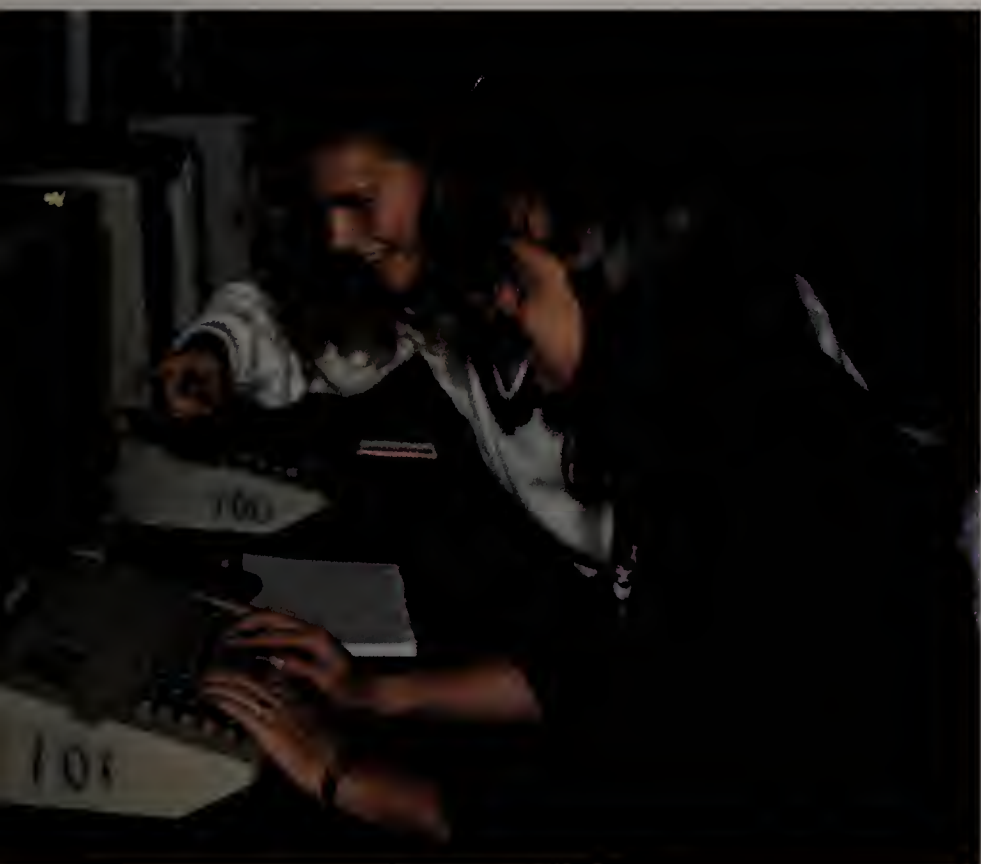

Look at those computer wizards work

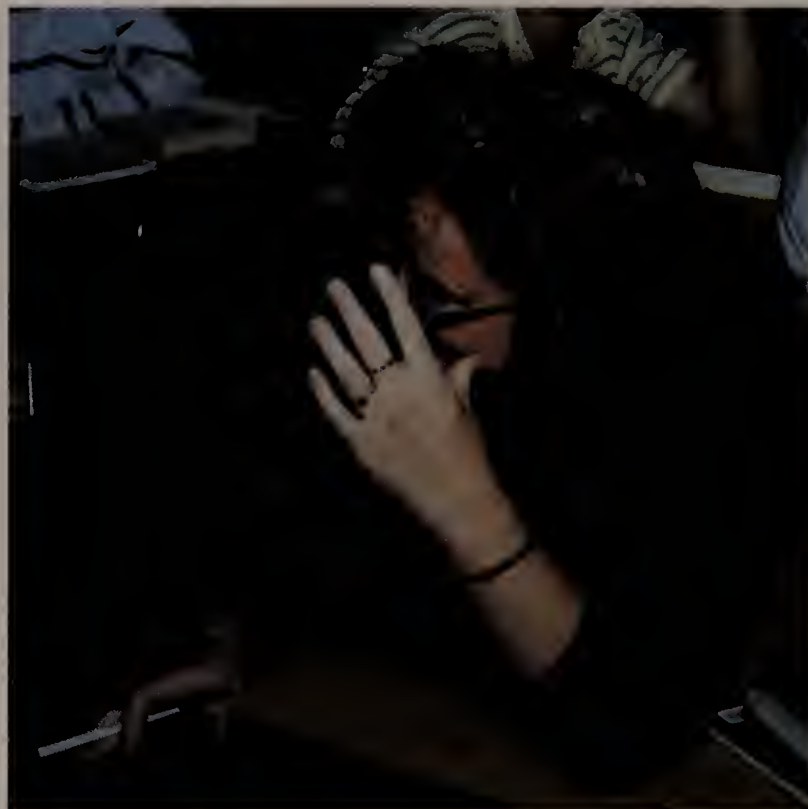

More computers What is one to do

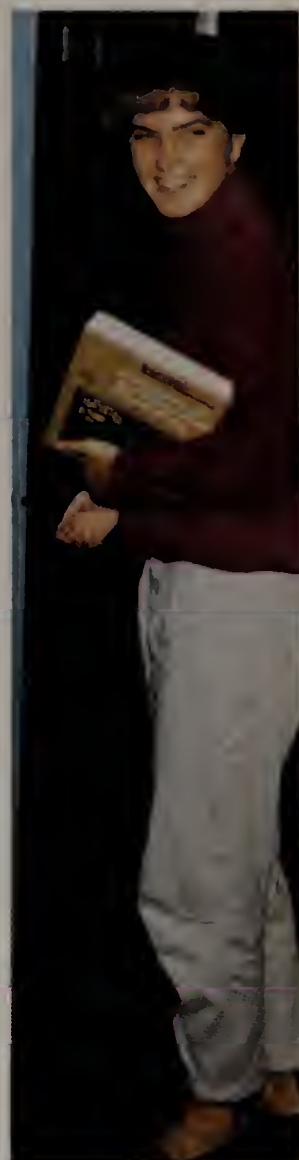

Looks like she has accomplished her computer mission!

As the students progress through the school year, so too do the missions. However, as this year's seniors lead the school, spirits rage high. With pride running strong and friendships there for support, there is no reason why this Mission Impossible will indeed end in an Accomplished task. As secret characters appear here and there the Scarlet Knights will ward off any and all obstacles in the way of the mission.

As we depart from N.A.H.S. we'll want to lock in the memories we hold. Beginning as timid freshmen and ending as proud seniors. As the end draws near our experiences here will remain under a precious combination often to be released.

Once again the Scarlet Knights gather for the annual Drummond pictures. Clusters of friends rambled about the playground. They revived old memories of swing-sets, seesaws and merry-go-rounds. The intensity of optimism was certainly dominant above all.

MISSION: DOMINATE THE CAL

SPORTS

KNIGHTS RECAPTURE THE TITLE

Four years of hard work paid off for the seniors of the 1989 Cape Ann Football Champions. North Andover won their fifth Cape Ann League Championship this decade. The team ended up undefeated in the League, only the second team in N.A. history to do so.

The Knights started their championship season at Hamilton-Wenham. They needed this opening game to build momentum for the rest of the season. Coach Cavanaugh agreed: "We needed momentum for Ipswich and Newburyport. This game was a big one". The final score was 14-13, the win entailed total team effort, everyone was involved.

Coach Cavanaugh was right. The next week the Knights earned their first shutout of the year with a 9-0 victory over Ipswich. The Knights then took their 2-0 record into Newburyport for one of their biggest games of the year. This year's seniors had not beaten the Clippers in their three previous years of high school football. This promised to be one of the most intense games of the year. After a hard week of practice, the Knights blew out the Clippers, 35-12. This was the Knights' best outing of the year so far.

The Knights continued their exceptional play with three shutouts in their next four games. They held League MVP Steve Pueleo of Pentucket to under 100 yards and no points, the only team this year to accomplish such a feat.

The Knights, now 7-0, hosted 8-0 Amesbury for the most talked about game all year. Both teams were undefeated, and the winner would most likely take the Cape Ann League Title. The Knights played their most superb game of the year and shut out the powerful Amesbury offense. The final score was 7-0. Coach Cavanaugh commented that "It was an easy game to coach. Everyone was mentally prepared. The week was very emotional, including the game itself". The Knights forced the Indians into six turnovers, four interceptions and two fumbles. The Knights were now on an emotional high coming into their next encounter, Andover.

The Knights brought their 8-0 record to Lovely Field in Andover to face the 7-1 Warriors. In this game the Knights "D" did not prevail and the Warriors scored 41 points to shut down the Knights 41-0. This loss, for all practical purposes, knocked the Knights out of Super Bowl contention.

The team could not give up; they still had a Cape Ann League Championship to work for. A win on Thanksgiving Day would give the Knights the Cape Ann League Championship outright. And win they did. They beat Masco 31-6, just missing their sixth shutout of the year.

The Knights did what was said to be impossible, go through the League undefeated and win the Cape Ann League Championship. Mr. Cavanaugh commented on the season as a whole: "The chemistry of the team blended well together. People who were unsure of themselves became sure of themselves. It is gratifying to have a team picked to be in the middle of the pack go undefeated in the League. It says something about the players".

Greg Gilligan fights his way through the line.

Ryan McLaughlin has opened field on this return.

Kevin Farragher did well kicking for the Knights this season.

Captains: Tim Ammon, John Gaffny, and Chris Butler

The managers were a big part in the Knight's success: From left, Michelle Broussard, Karen Fitzgibbons, Caitlin Haley, Amy McGregor, Colleen McCarthy, Chantel DeSimone.

"The 1989 Scarlet Knight football team is something we'll never forget. Going undefeated in the league and winning the championship is incredible. One of the greatest memories, I'm sure, shared by many, was the locker room after the Amesbury game. Everyone was showing their emotions, which was great. We were a family and that is what you need to be a championship team. There is nothing like walking off the field knowing we accomplished our dreams."

Tim Ammon had a rough game.

"I am pleased with the 1989 season. The excellent coaching proved to be successful and the hard work by all teammates, paid off in the end. Our positive attitude also played a role in recapturing the CAL Championship."

During the fall football season of 1989, both the varsity and J.V. squads had great years. The J.V. team ended up 6-2. They started off losing to Hamilton-Wenham. The next week they came back to defeat Ipswich. The last loss of their season came the following week against Newburyport. After that disappointment, there was no looking back with 5 straight wins. The record they ended up with was a combination of hard work and phenomenal coaching by a former quarterback at North Andover, Bill Hermann.

The leading scorer for the team was Matt Haesy with 10 touchdowns. The passing attack was led by Bill Ventura who found his two favorite receivers, Eric Domek and Steve Long, wide open. The defense was led by linebacker Dave Long. The main reason for the team's success was the brilliant rookie decision-making of coach Bill Hermann.

Parents of the players were a great support throughout the season.

Tim Ammon and Ryan McGlaughlin celebrate the Amesbury triumph.

"We were picked to finish 5-5. The only people that believed the C.A.L. title could be brought back to North Andover for the fifth time in a decade were the people out on the field every day. Through four years of tiresome work, we proved to our families, friends, opponents, and most importantly, to ourselves, that the 1989 SCARLET KNIGHTS FOOTBALL TEAM was capable of bringing the C.A.L. football title back where it belongs, NA."

GREAT IMPROVEMENT BY EXPERIENCE

The lady Knights Varsity Soccer Team had a very impressive season this year with a record of 17-1-0. The team was lead by tri-captains M.B. Pawlik, Merry Yetman, and Michelle Robbins.

The Knights managed to score 108 goals with one against for the season. This "goal" was achieved by scoring sensations all-league M.B. Pawlik, Michelle Robbins, Kim Delassandro, Janice Cutler, and Jacqui Perna. The team owes their impressive 17 shutouts to goalies Stephanie Querci and Kim Fleming and defensive players Kelly Kirkpatrick, Melisa Barry, Jodi Messina, Amy Papalia, and Annette Laro.

The unsung heroines who have great endurance, speed, and ability to score and stop scoring were Merry Yetman, Meg Trask, Erin Sullivan, Barb McElroy, and Meg Fehr.

Another great accomplishment for the Knights was the victory over nationally ranked Andover. The Lady Knights also stole the Cape Ann League Championship from Masco for the first time. Jacqui Perna scored the winning goal against Masco, a team that hadn't lost for 112 games.

Next year, the Knights will be defending the Cape Ann League Title. With most of the team returning, except for five seniors, it should do just fine.

North Andover Soccer Star M.B. Pawlik had her second tremendous season, receiving All-American honors again. She is shown here against Masconomet.

Erin Sullivan was a leader on the field.

Captain Meredith Yetman shows her usual hustle.

During this year's campaign the KNIGHTS boasted a 12-8-2 record, under Head Coach Vin Eruzione, and qualified for the State Tournament for the first time in four years. The team finished 3rd in the Cape Ann League and produced three all-stars, as well as two all-league selections.

Senior Captain H.J. Nassar and classmates: Mike Pierog, Craig Wilkens, Jeff Beohner and John Levis proved to be strong leaders for the young team. Junior Captain, Mark Brennan, led the team in scoring, finishing the year with 44 points. Following closely were linemates Jim Cavanaugh and Glen Sheehan. Ben Nassar also proved to be a scoring threat for the KNIGHTS.

On defense, Captain Steve Harb and Ryan Taylor spearheaded one of the finer defensive corps in the league. Also contributing on defense were: Michael Christopher, Pat Kilcourse and Erhan Philpott. In goal, Glenn Severance (11-4) played well all year and came through when needed in a big 1-0 upset over Tewksbury, stopping 40 shots.

The team placed 2nd in the Sectional Tournament and 3rd in the States. Chad Enaire finished the year as State Champion and placed 3rd in the New England Tournament. Seniors, Corinne Mulcahy Lyn Fitzgibbons and Lisa DuBois performed well in the outfield. Andrea Parent and Cheryl Fink, also seniors, made significant contributions in the infield. Returning infielders, Colleen Schaufenbil, Kerry Sullivan, Tallie Veras, Merri Yetman, Kris Shaffer and Tracey Laorenza hope to improve next year's record. The outfielders, Heather Mulcahy, Lisa Salemme and Tricia Dawson are also anticipating a promising season filled with enthusiasm.

Tallie shows good form at first base.

I hope you use the coach's advice, Heather.

Coach Schruender teaches the girls to have fun while playing ball.

The J.V. Softball team ended the season with an above average record of 11 wins and 6 losses. Stefanie Querci, Kelly Kirkpatrick and Kim Holdsworth performed well throughout the season and will probably see some playing time next season on the Varsity team. The team was also led by pitchers Lynn Orlando and Chantel De Simone. Tammy Sullivan and Sue Behnke were consistent hitters during the year. With a strong senior class and many J.V. players moving up, the Varsity Softball squad should be outstanding next spring.

Kim had an outstanding year on the J.V. squad.

HEY, here's my fastball, Stefanie!

Just another day on the court

You hit it, Erin!

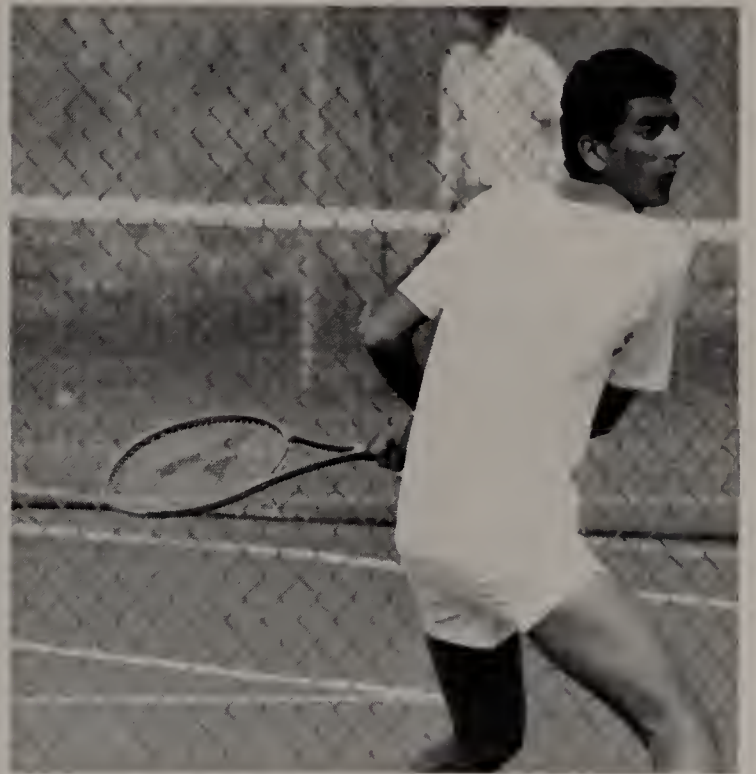

The Girls' Varsity Tennis Team had another outstanding season. Although it was a building year for the girls, they placed third in the CAL. The first doubles team of Erin McGrath and Abbey Thompson won second place in the CAL doubles tournament. First singles player Kirstin Johnson along with Isabella Meyer, Erin McGrath and Abbey Thompson also qualified for the State Tournament. Other team members that carried the girls to a great finish are Louise Down, Cate Brawn and Gwen Torek. If all these players are back next season, a victory as CAL Champions is a definite possibility!

BOYS TENNIS TEAM BACKS UP WINS

The boy's tennis team enjoyed their most successful season in many years with a record of 10 wins and five losses in the regular season. The double figure number of wins is believed to be the highest in the boy's team history, and led to a jump to third place in the Cape Ann League after finishing 10th last season, and also qualified for the state tournament. The team was led by co-captains Pat Bateman and Peter Hong, along with captain-elect Kush Jhawar. A strong sophomore group of Han Kim, Brian Marquis, Jim Matzouranis and Dan Murphy made significant contributions this season and assure the Knights success in the future, with Coach Stephenson expecting the team to be in contention for the league championship in 1990.

What a tush, Kush!

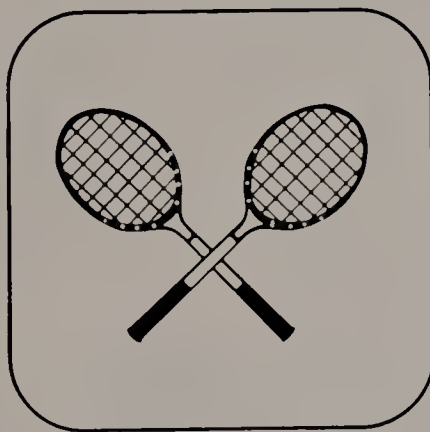

When it comes to tennis, Eric doesn't clown around.

Smile for the camera Han, then get back to practice.

"It was a sincere pleasure to coach such an outstanding group of young gentlemen. Their hard work and dedication was rewarded by a very gratifying record."

KNIGHTS SWING THROUGH LEAGUE AS CO-CHAMPS

The Varsity Baseball team finished their season as co-champions under the leadership of coach John Strobel. Tri-captains Chris Rozzi and Derek Thurston were named All-League players in centerfield and shortstop, respectively. Tri-captain Jason Stadler had a fine season pitching and playing right field. He also made the All Star team. Third baseman, Rick DiChiara, was the team's most improved player and batted for one of the highest averages. Scott Lubin, Dan Gennarelli and Neil Dowling were leading pitchers. Mike DeMelis and Kevin Kirkpatrick contributed both offensively and defensively. Returning players who hope to continue Coach Strobel's winning style are Scott Swiniarski, Mark Hoffman, Jared Lipof, and Tim Ammon. The 1990 captains are John Gaffny and Ryan McLaughlin.

Ryan McLaughlin is set for the pitch.

"The Team accomplished what I expected them to accomplish. We could easily have beaten the Middlesex League Champs, Wakefield, in the Tournament. We were as good as the opposition. I was pleased with the growth and development of the team and will truly miss many young men who spent two or three years playing Varsity Baseball. Hopefully they will continue to learn and grow."

SATURDAY NIGHT FRIGHT

HALLOWEEN DANCE

This halloween the Spirit Club sponsored the scariest theme dance ever, called "Saturday Night Fright?" The costumed dancers partied amongst ghastly ghosts and goblins and even a vampire in his coffin. There were fortune-telling gypsies, frightening foods, dreadful drinks and monstrous music. After all the creatures had danced enough they passed by the costume judges to the auditorium to watch the lip sync acts. "Stayin Aliv", "Early in the Morning", and "Simply Irresistible" were performed by Wendy Streule, Merri Yetman, Becca Staverly, Michelle Robbins, Jennifer Correia, and Gabe Miller. Afterwards Mr. Spadafore announced the costume winners. The best couple costume went to Roger Rabbit and Jessica otherwise known as Ben Stoetzel and Jacqui Perna. Dale Rugg was awarded most original costume for his mummy. The paper-bag Gumby, really Dave Dunn, wont most colorful costume. The group prize went to the characters of "The Wizard of Oz" who were Andrea Bently as Dorothy, Korreen Boyd as Glinda, Sue Burns as the wicked witch, Christan Leahy an the tin man, Heather LaFlamme as the scarecrow, and Lisa Barnes as the cowardly lion. Finally the ultimate costume was given to Raquesh Patel for his ugly "unleashed wickedness." After more dancing the ghosts and monsters had to leave to return to their gaves but they agreed a ghoulish time was had by all.

HOMEcoming DANCE

HOME COMING DANCE

This years annual Homecoming dance, once again sponsored by the senior class was a night of royalty for the King and Queen nominees. They all arrived fashionably late and the dancing stopped to form a path for them to display their regal thrones. First the Homecoming Queen nominees Karla Anderson, Lauren Bradley, Becky Pollina, Barbara McElroy, and Anne Barbagallo entered with their dates. Then the Homecoming King nominees John Gaffny, Ryan McLaughlin, Tim Ammon, Mark Hoffman, and Mark Morris followed their lead to the platform. The crowd quieted as everyone wondered who would be King and Queen of the night. Finally the announcer proclaimed Lauren Bradley and Ryan McLaughlin the 1989 Homecoming King and Queen. The royal couple was crowned and majestically danced the traditional Homecoming dance together.

KNIGHT ISLAND

This year's Thanksgiving Pep Rally took place on the well-known paradise "KNIGHT ISLAND." Here Chief Ben ruled over his fierce tribe of warriors in grass skirts. There were also beautiful tropical women on the island to keep the men company and musicians to keep everyone entertained. All seemed perfect, until, they discovered that their ancient game plans were missing, and a Masco Spy in their midst. They consulted the almighty Witch Doctor "Gaff" on what to do with this spy. It was decided that he should be kept alive until the game, and if they won, his life would be spared. If they lost, however, it was over. Everything eventually returned to normal and the islanders went back to partying to their favorite beach tunes under the palm trees.

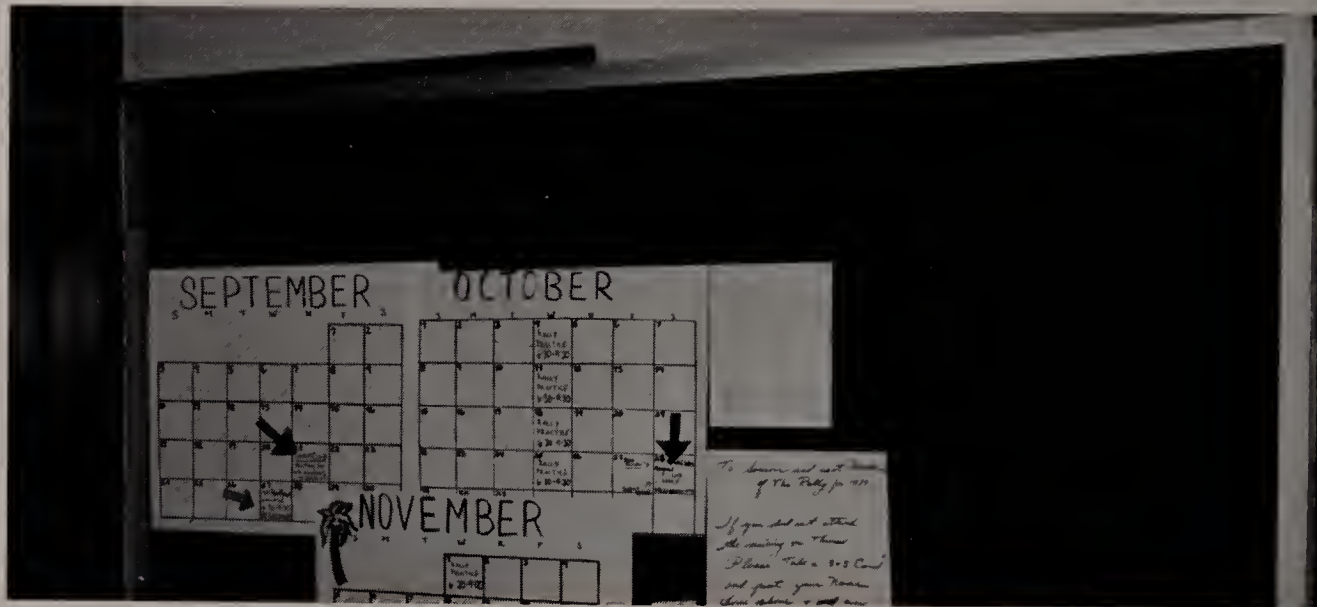

SPIRIT CLUB

This year the Spirit Club has continued to put zest and zeal into all of its many successful events including the Pep Rally, Canned Food Drive, the ever popular theme dance, "Saturday Night Fright" and the Lip Sync contest. Last year's long ago but not forgotten Freshmen-Sophomore Boat Cruise also proved to be a huge hit. At the head of the Spirit Club is advisor Mr. Paul Spadafore and his new co-advisor Miss Herlihy, along with presidents Claudia Catalano, Deanne Lebel, Paul Cardone and Jeff Foulds and vice-presidents Natasha Tokowicz, Michelle Broussard, and Gabe Miller. The Spirit Club works in cooperation with the Parent Advisory Committee (PAC) and the North Andover Youth Services. All of this could not have been possible without the hard work and dedication of the officers and members, but especially the invaluable advisors as well as student Ben Farnum.

The Student Council has had a very successful year under the direction of Vice Principal Mr. Richard Rozzi, President Bill DeMelis, Vice-President Liz Canavaugh, Secretary Mark Hoffman and Treasurer Heather Mulcahy. The council started the year off with a great dance in September, continued with a phon-a-thon and "Save a Sweetheart" campaign to stop smoking for the American Heart Association. In February the council sold Valentine's Day carnations and in April walked to benefit the March of Dimes. The Council also divides into four subcommittees: School Policies, Staff and Community Relations; Student Orientation; and School Improvement. The school policies committee works with Mr. Goggin on the new attendance policy and reviews the Student/Parent Guide Book. Staff and Community Relations keep students and teachers communicating with a Senior and Junior breakfast. The Student Orientation Committee helps new students adjust to N.A.H.S. with 8th grade Shadow Week and gives tours at 8th grade parent night. School Improvement has been upgrading our school with school clean-up, selling school murals for the School Enrichment Council, collecting Bradless' receipts for the Apple computer program and hiring personnel to give classes on smoking cessation in cooperation with the Governor's Alliance Against Drugs. Members also babysit at Town Meeting. The Council has done an excellent job keeping the school up to date and helping out in the community.

Keys Behind The Mission

KEYS BEHIND THE MISSION

The production of the 1990 KNIGHT is a great accomplishment. The staff began in the summer of 1989. We worked diligently, in hopes of attracting many sponsors. And, thanks to hard work and persistence, that goal was accomplished.

When the school year finally rolled around, spirits roared with enthusiasm and anticipation to produce a superb yearbook. Dedication was the thread that wove the 1990 KNIGHT together. Long hours and creativity were dominant characteristics throughout the staff.

MISSION ACCOMPLISHED signifies the end to a memorable four years and the successful completion of the 1990 KNIGHT!!

The S.A.D.D. organization represents students who wish to preserve the lives of many citizens. It is comprised of a group of dedicated students who faithfully attend weekly meetings, in hopes of reaching the students and also the citizens.

This year the organization will produce a touching play, to demonstrate the disaster caused by drinking and driving. They also distributed red ribbons. These ribbons signify safety when behind the wheel. Also the group faithfully tacks posters to alert the student body of the causes and affects that accompany drinking and driving. It's message is strong. Hopefully, the efforts of this group will help one think straight, when it comes to drinking and driving.

NATIONAL HONOR SOCIETY

The National Honor Society fearlessly lead by President Tom' Woods, Vice-President Dan Baumstark, and Secretary/Treasurer Chris Butler has accomplished many important tasks in the 1989-90 school year. In November, Students, teachers, and parents generously donated to the American Red Cross Blood Drive, which turned out to be the most successful NHS blood drive ever. In January, National Honor Society members manned phones to benefit the American Heart Association. NHS has continued to sponsor their foster child, Sampara-Sanneru, from Bontotangnga, Indonesia. The most important role of the NHS is tutoring other students. Members take time out of their demanding schedules to become part-time teachers to their peers. This program, set up through Guidance and the group's advisor, Mr. Desimone, has worked very well in assisting those who need extra help.

CHORUS

The N.A.H.S. Chorus, lead by director Bob Specian, president Dawn Pothier, Vice-president Lisa Mailloux and secretary/treasurer Leigh Heffron has had a busy year. Every morning the concert and select choirs can be heard filling the chorus room with the sounds of music. This hard work and fun has paid off with their outstanding winter and spring concerts. They performed at the Middle School in February and in April went to Ottawa, Canada. Besides working as a group, various chorus members have branched off on their own to be in the N.A.H.S. production of "Hello Dolly". Julia Gaynor, Matt Palmer and Sam Marchese should be commended for their Performance in the Andover Theater Company's "Music Man". In March we saw the ever-popular "Cabaret Night", a night of singing and fun. Mr. Specian also put together a "Young Performing Artists Night" for classical dance, song, and music. The chorus enjoys themselves while bringing music to our eyes with spirit and sparkle.

N.A.H.S. BAND

Members of the N.A.H.S. Band are marching their way through another terrific year. Under the direction of Walter Selima, President Jon Bojas, Vice-President Brian Folks, and secretary/Treasurer Erin Wheeler they have performed here at N.A.H.S. as well as outside the school. In the fall they entertained us at the football games and in local parades. At the winter concert they showed off their talent to the students and parents. In March they participated in the St. Patrick's Day parade in Boston as well as performing in "Cabaret Night". This summer the band will head off to band camp to prepare for the upcoming year. In the Spring of 1991 they plan a trip to Bush Gardens in Williamsburg, Va. What's next on the agenda for these talented musicians?

AMNESTY INTERNATIONAL has had another busy year of spreading humanitarianism across the world. By writing letters to world leaders, the group presses governments to release prisoners of conscience, people who have been imprisoned for reasons of their political or religious beliefs, sex or race, and who have not advocated violence. Since their formation as a school chapter last year, our amnesty group has helped fight worldwide oppression, and hopes to do so for years to come.

BIG FRIENDS/LITTLE FRIENDS

BIG FRIENDS/LITTLE FRIENDS is a new club that began last year under the direction of Miss Herlihy. It is an organization that focuses on developing friendships through letter writing. Young students from Kittredge Elementary School are matched up with North Andover High students. The club offers high school students the opportunity to act as role models to their Little Friends. Students develop their friendships during the year through notes, cards and letters. It's a fun way of developing a special type of friendship!

Senior players included Dave Greenwood, Eric Laro, Jim Stoupis, Dan Pickles, and Capt. Christopher Lee. Other Key players this year included junior Pat Lemfest and Sophomore Carl Tannenbaum.

MATH TEAM

Calculus, Advanced Math, Algebra, and Trigonometry are common terminology for the members of the MATH TEAM. With guidance from coaches Mr. McGowan and Mr. Fuller these calculating minds can walk away proud. Their rivals, Chelmsford, scurried away in geometric circles after losing to North Andover. The math team gave 100% and their efforts were led by captains Tom Woods, Jim Stoupis, and Eric Laro. Their intuitive minds brought them to the STATE COMPETITION.

Glossies . . . 8x10's, any clue? Well, this year's PHOTOGRAPHY CLUB had a flashy outcome. The smiling photographers, instructed by Millie Matasso, provided professional snap-shots for the Bourbon Red, SQUIRE, and KNIGHT. They enhanced their techniques through frequent lay-outs. The photography club will walk away smiling this year and might even want to capture your Kodak moment.

SQUIRE

The North Andover SQUIRE is headed by advisor Paul Gregoire and tri-editors Dan Shapiro, Dave Greenwood, and Barbara McElroy. With a cooperative staff and a helpful advisor, the paper was able to move forward in a positive direction, despite the fiscal crisis.

The SQUIRE staff consists of: Robyn Townsend, Javene Jones, Jenn Barrett, Lisa Silberman, Barbara McElroy, Dan Shapiro, Pat Killcourse, and Sean Donahue.

LITERARY MAGAZINE

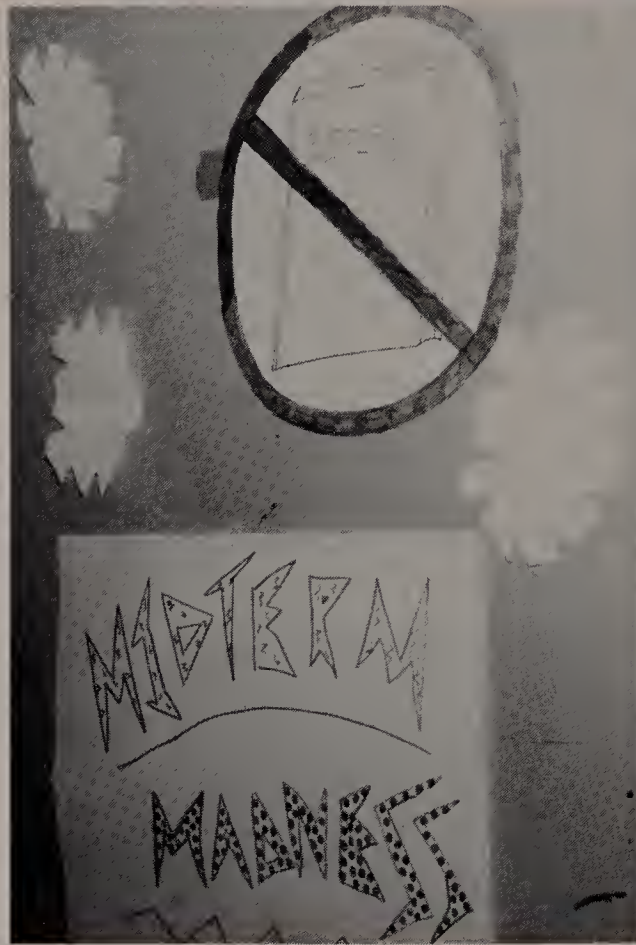

This year's BOURBON RED is ready to meet some lofty expectations. Under the new leadership of editor Javene Jones and co-editor Sean Donahue and the direction of Millie Matasso, the group has given the magazine quite a face-lift, including photography and a glossy cover. The pages were sparked with the creativity of each poet's and author's personal style. Their blotted inks were a common sight in the hands of students and faculty.

ACTIVITIES

UNLEASHED BEASTS IN THE GYM

Everyone at NAHS was a little surprised when they heard of the new idea for a fund raiser called Donkey Ball.

"Real live donkeys in our gym? They're letting donkeys on the gym floor and they won'd even let us have dances in there?"

Despite this obvious favoritism for donkeys over dances everyone slowly accepted the idea that donkeys really were coming to our school. Actually the idea that members of the faculty were going to compete against students in a game of basketball with each player riding on a donkey came to sound quite interesting. The donkey ball tournament was set up into three games. Finally the freshmen and sophomores battled the winning faculty members and claimed a stunning victory. But even though the freshmen and sophomores came out the winners the stubborn donkeys seemed more like the true champions.

HOLD ONTO THE NIGHT

A night of glitter and satin radiated the fieldhouse as juniors and seniors marched to that familiar and ceaseless beat. Admiring relatives and friends were present with cameras and VCRs to capture the beauty before their eyes. Dizzy from the unending circular motion it was time to move on. Upon entering the Sheraton Rolling Green the participants found eye opening shimmery purple and silver decorations all coinciding with the '89 theme. After an exciting evening of dining and upbeat dancing the prom ongoers walked away with a feeling that would definitely allow them to "Hold onto the Knight".

TEST OF POWER & MIGHT AMONG THE KNIGHTS

All morning the excitement mounted as students anxiously anticipated the moment when classes would end and Field Day 1989 could officially begin. When the time finally arrived everyone rushed outside equipped with all their favorite beach gear and sacks full of food. They didn't have to travel as far as the shore, however, just to the NAHS fields. Some sat down on their blankets determined not to move until they were golden brown. (or as they found out later that night Scarlet Red.) But the sunny, hot and humid day was perfect for play as well as rest. The move active got prepared for the fun and games about to begin. The activities started out with the popular class calisthenics and pyramids, which never seemed to last for more than five seconds before tumbling down. Then came the usual running races, volleyball, softball and finally, the girls' favorite, male tug-of-war. It was a close battle to the finish but after the scores were tallied up the Junior Class of '90 came out the winning team of Field Day 1989. Will they be able to win it again as Seniors in 1990??

MISSION: PREPARE US FOR FUTURE MISSIONS

FACULTY

Dedication To Richard Rozzi

The Secret To Our Mission

Over the past four years there has been one man who has passed above and beyond his calling to assist the class of 1990. This year we would like to display our gratitude to you, Mr. Rozzi, through the dedication of the 1990 KNIGHT.

Students who come in contact with Mr. Rozzi walk away satisfied. He is one's confidante and friend. Mr. Rozzi understands the students. Therefore, his profession comes easy to him. He loves involvement with the students and their activities. When someone knocks on his door, he'll be there for you, with his never-ending warm smile.

As we embark from our mission here, you, Mr. Rozzi, will be foremost in our thoughts. Our lives will be filled with many missions. Luckily you were around to support us and encourage us. Our next mission will again be stamped 'ACCOMPLISHED', and that is due, in part, to you, Mr. Rozzi.

The graduating seniors, as well as the student body, wish to show their thanks and appreciation. As we leave we say good-bye to our trusted advisor and friend. Thank-you for all you have given us and for being our friend. Good-bye, Good Luck and congratulations on a MISSION ACCOMPLISHED!!
